G C2 G C  
I've been living in You and You've been living in me - And I am breathing  
G C2 G  
I've been moving in You and You've been moving in me  
G C2  
And I am breathing in You

A- D A-  
Ever since the day I set my heart on You  
A- D A-  
That was the day You turned and set Your eyes on me  
A- D A- G/B D | G | C | G | C  
Now I know I finally understand that You are my, my oxygen

G C2 G C  
When I draw near to You then You draw near to me - And I am breathing  
G C2 G  
When I reach out to You then You reach out to me  
G C2  
And I am breathing in You

A- D A-  
Ever since the day I set my heart on You  
A- D A-  
That was the day You turned and set Your eyes on me  
A- D A- G/B D | G | C | G | C  
Now I know I finally understand that You are my, my oxygen

E- C E- C  
I know You knew me long before the world began pursued me  
E- C  
Always living in and through me  
A- D | G | C etc.  
My heart beats because You love me – na na na...
