

## Jon Buller – Biography

Over the last 20 years Jon Buller has contributed an eclectic and growing catalogue of music to the artistic landscape of Canada. In recent years his singles have found their way onto Christian Radio charts just as they have onto Spotify playlists and mobile devices! That includes 11 recording projects and four hit singles including the original Christmas song GLORIA, his popular cover of Juno winner Steve Bell's COMFORT MY PEOPLE, a soaring original anthem entitled PSALM 145 (Amen), and most recently an up-tempo rendition of the popular worship song DO IT AGAIN.

Now in 2021, Buller who is also a Juno-nominated recording artist is celebrating the release of his first full-length recording project since 2009. COME AWAKE includes 9 songs, all recorded at the new FARMHOUSE MUSIC studio; a fantastically equipped recording studio nestled on a farm in the hills of Vernon, BC. The new music will be released single by single, so listeners should follow Jon on their social media channels and everywhere they get their music, including SPOTIFY and iTunes.

Buller has received critical acclaim including a **Juno nomination** for his CD **SINNER & THE SAINT**, and **2 Covenant Awards**, for Praise and Worship Song of the Year (Lord of Every Thing - 2006) and Traditional Album of the Year (the Hymn Project - 2008). He also won first place for Song of the Year and Worship Song of the Year for the congregational favourite **SING HIS SONG** from praisecharts.com in 2014.

Although good things come to those who wait, the early-bird also gets the worm, so to speak!
